Profile

Jenny Chen is one of the founding partners of CFN Lawyers LLP. With over 20 years of experience, Jenny offers trusted advice to both listed companies and high-growth startups. Her expertise spans corporate compliance, regulatory matters, and public company responsibilities, as well as cross-border mergers and acquisitions, corporate restructurings, and capital markets transactions, including IPOs and public offerings. She also supports emerging companies with fundraising, joint ventures, and strategic alliances, providing comprehensive legal guidance and support to clients navigating complex regulatory and business landscapes.
